## RESPONSE

Sir:

In response to the Notification of Missing Requirements mailed March 10, 2005, Applicants would like to bring the following the Examiner's attention.

The Examiner advises that the current oath or declaration of the inventors does not comply with 37 CFR 1.497(a) and (b) in that the title is different from the International Application.

Applicants hereby advise that the title on the Declaration is the same as the foreign filed title. The Declaration was executed shortly after foreign filing but prior to publication (August 7, 2003). The Declaration should therefore be in condition for acceptance.

Authorization is hereby granted to charge any and all necessary fees required by this paper to Deposit Account No. 19-2570.

Respectfully submitted,

Chris P. Miller
